

WORDLE Basics

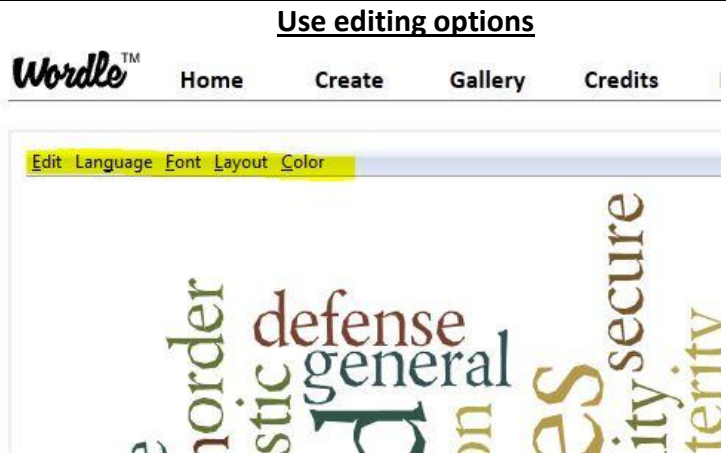

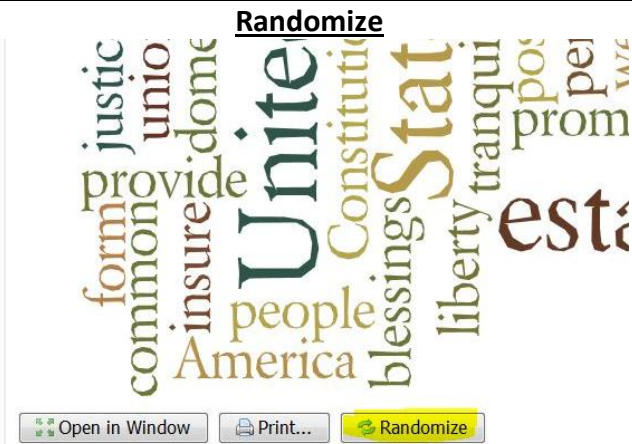

1. Highlight and copy text.

3. Click **Create**, paste the text and click **Go**.

2. Open your web browser and go to www.wordle.net .

4. Editing the Wordle

5. Saving the Wordle

There is no save button in Wordle so you may:

1. Use the snipping tool in Windows 7 and save the image;
2. Use print-screen on the keyboard and paste into your program of choice.
